

REFLECTIONS ~~REFLECTIONS~~

Vol. 7 No. 1

of the Ken Kelly, ed.
University
Lowbrow
Astronomers

May 14 - Monthly Meeting - John Dobson will speak on Comets.
He is an eloquent speaker, so don't miss this talk.

The Open Houses at the Observatory have been an outstanding success. Over 6000 people attended on the weekend of May 3-4. Cars were parked one mile down the road, and the Contribution Box was filled.
